

MITUTOYO
LH600E/EG
LINEAR HEIGHT GAGES

**10%
OFF**

Take advantage of this year end height gage special from PQI!

Receive a 10% discount on any Mitutoyo LH600 linear height gage purchased before December 16, 2022!

PQI will also perform an ISO 17025 accredited initial calibration on the height gage before we deliver it to your facility, and a follow up calibration after 6 months at no additional cost.

Reach out to sales@pqi.net
to place your order!

Productivity Quality, Inc. is authorized to calibrate, repair, and perform error correction for Mitutoyo LH600 Linear Height Gages.

Promotion valid while supplies last. Delivery restrictions apply.
